

Speakers Bureau

Is your congregation interested in **Global Missions**?

Do you wish you were more **connected** to God's global family?

Do you want to **fire up** your congregation about ministry around the world?

A growing ministry we all share is Global Missions. Partner congregations, companion synods, and missionary support are all ways in which we learn, stretch, grow in faith and support one another here and around the world.

Dozens of congregations in our synod have partnerships in other countries. Those partnerships, as well as the synod's partnerships with our companion synods of the Evangelical Lutheran Church in Colombia and the Central Diocese of the Evangelical Lutheran Church of Tanzania, have led to several trips abroad.

The speakers listed here have visited our companions in Global Mission. They have stories of faith and ministry, passion and compassion to tell. The pastors and lay people listed below are willing to speak to large or small groups of any age.

Please plan ahead, especially for Sunday morning engagements. Check with speakers about their needs for equipment and space. It is a welcome courtesy to offer mileage reimbursement.

To join the list of speakers, please contact Jane Rinehart (507-663-1659 or djrinehart@charter.net).
