

Children, Youth and Family Ministry Summit

October 14

Trinity Lutheran Church
104 First Street SE
Hayfield, MN

2 p.m. through dinner

At the 2007 Southeastern Minnesota Synod assembly a resolution was passed to create a Task Force to develop a vision and strategy of implementation of Children, Youth and Family (CYF) Ministry in the Synod. The vision and strategy of implementation will incorporate ways to support families in our synod, support paid and volunteer staff in all congregations, encourage of CYF Ministry in all congregations and coordinate CYF activities at the synod level. The Task Force's assignment is to write a recommendation to the 2008 Synod assembly. Your ideas and insights are valuable as the Task Force begins its work at this summit.

Come prepared to answer the following questions:

1. How are you currently supporting CYF Ministry in your congregation or at the Synod level?
2. Is there anything further you would like to do to support CYF Ministry in your congregation?
3. How do you see the Synod being able to support your CYF Ministry?
4. How do you see your specific area of ministry within the Synod interacting with CYF ministry?
